### **Seeking Support Towards Making Patiala a Beggar Free City**

Often we see on roads, railway stations, bus stops on traffic lights, near religious sites; hundreds of sunken faces with lusterless eyes extending their helpless hands and out of pity we tend to shell out our hard earned money. And thus involuntarily promoting them to beg and hence harnessing their business.

NGO's on investigation have found that these beggars have taken to begging because it is an easy way to earn money though they have been given opportunities to work or even stay in shelter homes. But they prefer to beg. It has also been found that many of them have basic communities like refrigerators, T.Vs in their homes and even earn upto Rs. 1000/- a day.

Har Hath Kalam - an NGO is organizing an Anti begging campaign. They are organizing a Mega Event "Tu Bandhan Tor Inn Sikknon Ka" on 12<sup>th</sup> August, where a human chain will be formed from Kali Mata Mandir to Bus Stand. Various schools will be performing items like Nukkad Natak, Flashmobs and other musical performances.

Our school will also be a part of this Mega Event. All those children who are interested can give their names at the reception.

To support this noble endeavour you can bring your old books, cloths, toys, bags etc. to be given n charity on every 3<sup>th</sup> Saturday of the month.

You can also support this campaign by sharing post of Kalam on facebook and instagram.

Optimism is the faith that leads to achievement. Nothing can be done without hope and confidence. So let's all pledge to make Patiala a Beggar Free city. I would you request you all to stand up and extend your right arm for the pledge.
