

The British Anniversary of Sh. Srinivasan Ramapujan was celebrated as 'GANIT WEEK'.

On this occasion a lecture on Mathematics was organized by the school specially for the students of Class VII. A lecture was given to the students by an eminent person in the field to the students. The students actively participated in the interactive session on 'Vedic Maths' and 'ABACUS'. The students participated with great enthusiasm and were thrilled to get solutions to the problems. On the whole it was an informative, wonderful and an enlightening experience for the students.

Celebrations of the Birth Anniversary of Sh. Srinivasa Ramanujan were there in the school during the 'GANIT WEEK'. Students of Class X participated whole heartedly in the celebrations and wrote wonderful essays on one of the great mathematicians of India 'Sh. Srinivasa Ramanujan'. They poured out great informations on the famous Mathematician in their writings. They wrote inspiring and thought provoking essays on 'Srinivasa Ramanujan' - His Works and Life.

The budding Mathematicians of Class VI participated in a Quiz Competition organized by the school to celebrate the birthday of Sh. Sirininsa Ramanujan on 18 Dec 2014. Four students from each section were selected to form a team. They were further grouped into 4 teams comprising of 8 students each. The quiz had 9 rounds including a buzzer round. The quiz was not only informative but also interesting . It was thoroughly enjoyed by the students.
